FOR IMMEDIATE RELEASE

## **JOHN 'MIKE' KEHOE EARNS NAFI MASTER INSTRUCTOR ACCREDITATION**

**KALAMAZOO, MI — 10/01/2019**

The National Association of Flight Instructors is proud to announce that NAFI member John “Mike” Kehoe has earned accreditation as a NAFI Master Flight Instructor. This is Kehoe’s third consecutive NAFI Master Instructor accreditation.

Kehoe has held the CFI designation for almost 35 years. He currently holds Commercial, Multi-Engine, Instrument as well as CFI-CFII-MEI-AGI-AGII. He has been a Senior Instructor, Chief Flight Instructor and Director of Aviation, Stage Check Airman & End of Course Check Ride Examiner for Part 141 schools.

Kehoe says one of the most satisfying moments in aviation is watching a student’s “first solo flight.” A close second would be your student passing a checkride the first time.

Kehoe served in Vietnam with F Company, 51st Infantry (LRRP) as well as the 82nd AB. He has four children and four grandchildren. He still enjoys flight instructing and he has also taught sky-diving, scuba diving and snow skiing.

When asked to sum up life as a professional flight instructor, Kehoe said: “What a great career, being a flight instructor, where else can you experience the thrill and joy of “first time experiences” over and over again.”

*The **NAFI Master Flight Instructor Accreditation** is earned by aviation educators based upon a system of advanced professional standards and peer review. The accreditation identifies and publicly recognizes those teachers of flight who demonstrate an ongoing commitment to excellence, professional growth, and service to the aviation community. The NAFI Master Instructor accreditation is for two years and may be used to renew an FAA flight instructor certificate. Applicants must have been a CFI for two years and have given 1,000 hours of flight instruction. In addition, candidates must meet and document activity in four NAFI Master Instructor categories (Instructor, Educator, Service to the Aviation Community, and Professional Activity).*

*Members of the **National Association of Flight Instructors** work as independent instructors, at flight schools, universities, FBOs, corporate flight departments and in the military. Since 1967, NAFI and its members, who teach in 30 countries, are dedicated to increasing and maintaining the professionalism of flight instruction. NAFI members influence active pilots daily: students working to become pilots, current pilots training to advance their skills with new ratings or certificates and pilots who seek to improve their skills with recurrent training. NAFI also serves as an advocate with industry and government as a voice for flight instruction. NAFI helps shape the current and future direction of flight training. For more information about NAFI or the NAFI Master Instructor program call **866-806-6156** or visit [www.NAFINet.org](http://www.NAFINet.org).*
