FOR IMMEDIATE RELEASE

## **JEREMY HAND EARNS NAFI MASTER INSTRUCTOR ACCREDITATION**

**KALAMAZOO, MI — 1/23/2019**

The National Association of Flight Instructors is proud to announce that NAFI member Jeremy Hand has earned accreditation as a NAFI Master Flight Instructor.

Hand grew up along the final approach corridor for Phoenix Sky Harbor watching airliners fly over his house. He enrolled in ASU's Aviation Management Technology Bachelor's Degree program in the fall of 2001, chasing a childhood dream of being an airline pilot. Hand attained his Private Pilot certificate in 2002 and proceeded to log his first couple hundred hours over the course of about two years.

Due to a downturn in the industry after 2001 Hand began a decade in various lines of work, but his passion for flying never disappeared, and he re-entered the field. He then worked to achieve his instrument, multi, and commercial training with ATP Flight School's Airline Career Pilot Program. His CFI, CFII, and MEI ratings soon followed. He has been instructing for ATP ever since, helping to train students from zero time all the way through commercial and CFI certificates. Hand is now quickly approaching his 1,000th hour of dual given and says he "loves every minute of it!"

For the last year he has been a lead instructor at ATP and conducts many of the stage checks and mock check rides for students as they progress through their training syllabus. During that time, he added AGI and IGI ratings, as well as attaining FAA Gold Seal instructor status. In his spare time, he also pursues volunteer work with Angel Flight and the Boy Scouts of America.

*The **NAFI Master Flight Instructor Accreditation** is earned by aviation educators based upon a system of advanced professional standards and peer review. The accreditation identifies and publicly recognizes those teachers of flight who demonstrate an ongoing commitment to excellence, professional growth, and service to the aviation community. The NAFI Master Instructor accreditation is for two years and may be used to renew an FAA flight instructor certificate. Applicants must have been a CFI for two years and have given 1,000 hours of flight instruction. In addition, candidates must meet and document activity in four NAFI Master Instructor categories (Instructor, Educator, Service to the Aviation Community, and Professional Activity).*

*Members of the **National Association of Flight Instructors** work as independent instructors, at flight schools, universities, FBOs, corporate flight departments and in the military. Since 1967, NAFI and its members, who teach in 30 countries, are dedicated to increasing and maintaining the professionalism of flight instruction. NAFI members influence active pilots daily: students working to become pilots, current pilots training to advance their skills with new ratings or certificates and pilots who seek to improve their skills with recurrent training. NAFI also serves as an advocate with industry and government as a voice for flight instruction. NAFI helps shape the current and future direction of flight training. For more information about NAFI or the NAFI Master Instructor program call **866-806-6156** or visit [www.NAFINet.org](http://www.NAFINet.org).*
